Klan And Anti-Klan Forces.

Four years ago, the Hon. Frank B. Willis was nominated as the Republican candidate for governor of Ohio, receiving but 45,000 votes. Two years ago the editor of The Gazette received 11,052 votes as a Republican candidate for Secretary of State over 15,000 more votes than Mr. Willis received in 1918. - Remember there are more than 125,000 Afro-American voters in Ohio and they draw your own conclusions.

 active in our own behalf, at a proper
 time, and stop waiting on the "other

 we have so long been entitled to and
 kept off of without any encouraging

**SENATOR McCORMICK
VIGOROUSLY DEFENDS
ANTI-LYNCHING LAW**

Says, "Our Common Conscience And
Common Judgment Demand
That Congress Act To
Stamp Out Lynching"

Associated Negro Press

WASHINGTON, D. C. April 2.—I do not believe that any or other members of the committee on Judiciary will want to see the adjournment of the present session of Congress without reporting an anti-lynching bill.

The foregoing ringing declaration comes from Senator McCall McCormick of Illinois, in a letter of clearness and frank statements of the subjects of anti-lynching legislation.

Senator McCormick, it will be recalled, introduced a bill early in the present session, urging federal action

re-introducing Sen. Curtis of Kansas, also introduced a bill, it is plain to the Senate. Senator McCord's letter that what he desires most of all is action. As one of the most prominent members of the Senate, and one of the steering committee, Senator McCord may be regarded as speaking with authority. The Senator's letter was addressed to Senator Knute Nelson, chairman of the judiciary committee, and follows:

\$500 in 35 Years

I venture to call your attention to the

The two men introduced on April 12, 1861, during the extraordinary session of Congress, by Senate Speaker and myself, and the House (Iyer) read and referred to your committee on January 27th of this year. At the same time I may note that during the sixth Congress I introduced on the 24th of March, and Senator Seward introduced the 21st of the following April, bills like those introduced by us during the extraordinary session of the present Congress.

The members, all of them, took to me and are most of them, such

to the President, I think that the country is not upon our civilization, a menace to all law and to all constitutional authority. I do not seek to argue this respective merits of the several bills to which I have referred, or to take the question of constitutionality in connection with the Dyer bill. I am willing to support any anti-lynching bill which the initiative will report and I do not doubt that Senator Spencer is of the same mind. I write to urge consideration of the bills and action by the committee.

"During the last thirty years there have been nearly 3500 lynchings in the United States. Whenever was the time of the past, today lynching and race rioting is not local or sectional, but a national issue. During the last two or three years there have been lynchings as there have been outbreaks of violence, between mobs of both races, from the Lakes to the Gulf and from the Pacific to the Atlantic. I do not believe that you or the other members of the committee on Judiciary will want to see the ad-

Journalist of the present session of Congress without reciting an anti-lynching bill. Our common conscience and common judgment demand that Congress act to stamp out lynching."

Lynch Law Must Go

"Lynch Law Must Go!" That slogan is being universally adopted by laborers and various organizations as the (all) to action on this important legislation. It has been recommended that this slogan be pinned conspicuously in the newspapers and kept there until final passage of the bill. There has
